Packaged Units

WHEN A SMART CHOICE
IS THE RIGHT ANSWER.

THE BEST OF EVERYTHING ALL IN ONE.

Efficient energy use. Consistent heating and cooling.
The Allied® PRGE Gas/Electric and PRDF Dual-Fuel both deliver everything you want in one rugged packaged unit. It's a simple choice to make and the right one every time.

SOME DECISIONS ARE TOUGH. THIS ONE ISN'T.

When you consider Allied systems, quality and value are givens. You're getting peace of mind with great features and smart designs that squeeze more efficiency out of every energy dollar. And best of all, you get it right now.

Solutions you can trust.

Choosing the Allied PRGE or PRDF is a smart choice right now, and for years to come. They're built to last, with durable, aluminized steel heat exchangers, robust wire grills to protect internal components, and heavy-duty compressors that can stand up to even the hottest summers.

Comfort is nothing without efficiency.

Now you can stay comfortable in any weather, while using energy wisely all year long. During the heating season, these units deliver an Annual Fuel Utilization Efficiency (AFUE) of 81% and the PRDF has an 8.0 Heating Seasonal Performance Factor (HSPF). Both the PRDF and PRGE have a cooling Seasonal Energy Efficiency Ratio (SEER) of 14.0.

Over the years, a hardworking Allied packaged gas heating and electric cooling unit can save you hundreds of dollars on utility bills.

Savings vary depending on use, geography, lifestyle, maintenance, installation and other factors. Chart depicts 5-year savings over less-efficient models.

Peace of mind feels pretty good.

The Allied packaged units are designed to make you feel good in every way. And once you've registered your equipment, you'll enjoy the confidence of a lifetime warranty on the heat exchanger, and a full ten years of protection on the compressor and other parts. So sit back and relax. You have an Allied.

THE FULL-FEATURED ALLIED™ PACKAGED UNIT IS THE RIGHT CHOICE, RIGHT NOW.

- 14.0 SEER, 8.0 HSPF and 81% AFUE mean smart savings year after year
- Multi-speed blower motor allows for airspeed to be adjusted for comfort and efficiency
- Weld-free, aluminized steel heat exchanger is designed for long life and durability
- Limited lifetime warranty on the heat exchanger and a limited 10-year warranty on the compressor and other parts* mean peace of mind
- Rugged steel cabinet with wire grille keeps internal components protected

*Applies to residential applications only. For terms, conditions and exclusions, see full warranty at alliedair.com.

MAKE THE ALLIED DECISION YOU WON'T REGRET.

When you think about everything Allied delivers, your decision isn't hard at all. Feel better today. The performance and reliability you want are right here, and ready to go to work.

Due to our policy of continuous improvement, specifications are subject to change without notice.
