The Right Choice. Right Now.

4AC14

AIR CONDITIONERS

MAKE THE TRUSTED CHOICE FOR
YOUR FAMILY'S HOME COMFORT.

ENJOY IMMEDIATE INDOOR
COMFORT YOU CAN DEPEND
ON FOR YEARS.

When you need cooling relief right away, your quick decision can be a confident one, thanks to Concord.[®] Built with quality materials for long-lasting reliability and efficient performance, a Concord air conditioner is the choice you don't even have to think about.

SOME DECISIONS ARE TOUGH. THIS ONE ISN'T.

When you consider Concord systems, quality and value are givens. You're getting peace of mind with great features and smart designs that squeeze more efficiency out of every energy dollar. And best of all, you get it right now.

Relax and breathe a little easier.

The Concord 4AC14 is built with carefully selected components, like the heavy-duty scroll compressor, and is 100% factory-tested to ensure your air conditioner will last for years to come.

Greater efficiency means more money in your pocket.

The Seasonal Energy Efficiency Ratio (SEER) is the standard measure of an air conditioner's operating efficiency. A higher SEER indicates better performance and energy savings. Rated up to 16 SEER, the Concord 4AC14 air conditioner uses less energy than older units, so you'll spend less on utility bills.

Over the years, a hardworking Concord air conditioner can save you hundreds of dollars on utility bills.

U.S. Average Five-Year Electric Cumulative Energy Savings for High-Efficiency 14 SEER Air Conditioners vs. 10 SEER. Energy Efficiency and renewable Energy Network, U.S. Department of Energy. The U.S. national average is used for electricity consumption. Actual cost savings may vary depending on personal lifestyle, system settings, equipment maintenance, local climate, actual construction, installation of equipment and duct system, hours of operation and local utility rates. This information is intended as an example for comparison purposes only.

Enjoy season after season of worry-free operation.

With a Concord air conditioner, you'll get dependable performance when you need it. We start and operate each unit at the factory to help ensure it performs as expected and provides the highest level of reliability. Which means that as soon as the temperatures begin to rise, your air conditioner will be ready to work for you.

THE FULL-FEATURED CONCORD® 4AC14 IS THE RIGHT CHOICE, RIGHT NOW.

MAKE THE CONCORD DECISION YOU WON'T REGRET.

When you think about everything Concord delivers, your decision is easy. With Concord, all your cooling questions are answered. The performance and reliability you want are right here, and ready to go to work.

Concord. It's the right choice. Right now.

CONCORD®
The Right Choice. Right Now.

Proper sizing and installation of equipment is critical to achieve optimal performance. Split system air conditioners and heat pumps must be matched with appropriate coil components to meet ENERGY STAR criteria. Ask your contractor for details or visit www.energystar.gov.

Due to our policy of continuous improvement, specifications are subject to change without notice.
